### ANCHORAGE YOUTH COURT

*Justice for Youth by Youth*

**PLEASE DONATE – Your investment in the youth of Anchorage, Eagle River, Chugiak, and Girdwood is sincerely appreciated.**

Anchorage Youth Court's after school and summer program helps teens develop citizenship, leadership, and practical life skills while providing the opportunity for juvenile offenders to realize consequences for their illegal acts and gain appreciation for the law. Over the course of 22 years, more than 2,300 young leaders have volunteered their time representing and judging their peers in actual criminal cases, having a positive impact on the lives of over 5,800 juvenile offenders.

Financial and in-kind support generously provided by the Anchorage Bar Association and its members, is recognized and valued. This level of giving enables AYC to continue providing legal education for our youth and public safety within our community. Your generosity is most appreciated!

## **ABOUT US**

The Anchorage Bar Association is a voluntary association of Anchorage-area lawyers and other law office professionals serving the legal profession by fostering public respect for and trust in the members of the legal profession, encouraging collegiality and life-long learning among its members, and promoting equal access to justice for all persons.

## **What the Anchorage Bar Association does for you**

As a voluntary bar association, the Anchorage Bar Association strives to provide value to its membership. The Anchorage Bar Association continues to provide the social events you count on, but we also fill other unmet needs of the local community.

## **SOCIAL EVENTS**

The Anchorage Bar Association hosts numerous events throughout the year that are free or at a reduced rate for members. These events include the St. Patrick's Day party, after-work socials, and bench and bar receptions. The Anchorage Bar also provides funding for special events, such as judicial robing and retirement receptions, a hospitality suite at the Bar Convention, and other occasions.

## **EDUCATIONAL FORUMS/CLE**

The Anchorage Bar Association periodically presents programs of topical interest to the legal community in Anchorage. Alaska Bar CLE credit may be available for qualifying CLE programs.

## **FUNDING FOR COMMUNITY SERVICES**

The Anchorage Bar Association performs important public services by funding various programs that positively impact the community. The Association provides grant funding and support for law-related activities, such as Anchorage Youth Court, and provides substance abuse treatment loans for its members. The Anchorage Bar also annually provides a grant to Bean's Café in memory of Anchorage attorneys who have passed away during the year.

## **FUNDING FOR YOUNG LAWYERS**

In addition, the Anchorage Bar Association also fully funds its Young Lawyers Section. The Young Lawyers Section provides numerous public service and public outreach functions, including: hosting a holiday party and clothing drive for the Covenant House, providing pro-bono legal services during FEMA mobilization, hosting receptions for new admittees to the Alaska Bar Association, hosting an annual job fair for law students and new attorneys, running 5K race judicata, volunteering public service at Bean's, and organizing and funding the State Mock Trial Competition (a function normally provided by state bar associations).
